THOUSANDS OF DOLLARS IN PAYCHECK PROTECTION FUNDS (PPP)

WERE FUNNELED INTO LORANNE AUSLEY'S CAMPAIGN

THROUGH POTENTIAL FRAUD!

Political parties are unable to apply for PPP loans, but the Florida Democratic Party did and then funneled the money into political campaigns. Even other Democrats are angry!

POLITICOMAGAZINE 7/8/2020

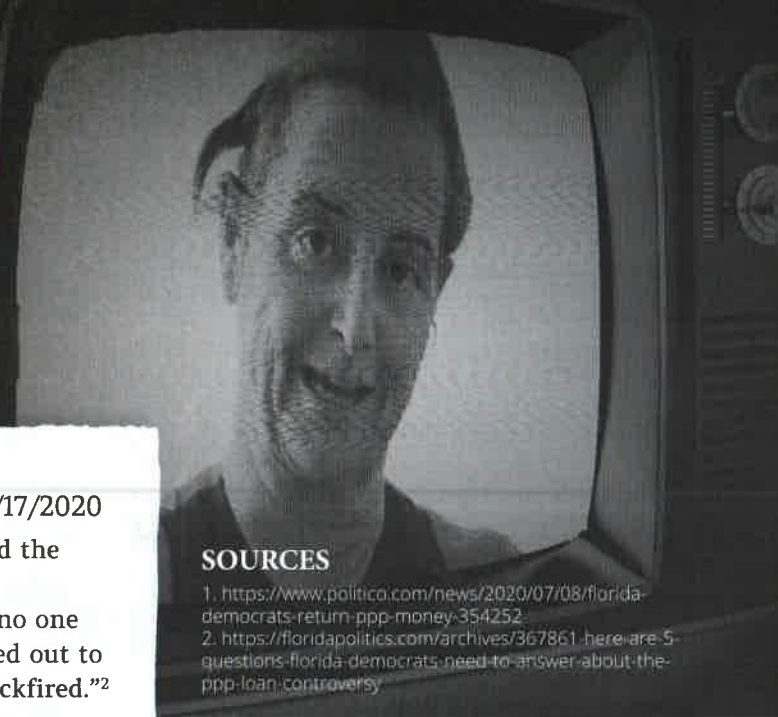

"[Senator Jason Pizzo] was so mad that he swore. 'I spent 44 days in Tallahassee to go face to face with the [Department of Economic Opportunity] while people can't get their unemployment benefits. And the Florida Democratic Party is in their f***** office collecting PPP money.'"¹

FLAPOL Florida Politics, 9/17/2020

"[The Florida Democratic Party] has blamed the SBA, they have blamed the lender, leading Democrats have blamed party leaders, yet no one has taken responsibility for what has turned out to clearly have been a calculated plan that backfired."²

**THAT'S
SHAMEFUL!**

**GIVE THE MONEY BACK, LORANNE!
ALL OF IT!**
